June 2010

Dear Team Captain:

Thank you for registering your team for the **21<sup>st</sup> Annual Brightside/Coca-Cola Volleyball Classic**, taking place **July 10-11**, at **Seneca Park, Louisville, KY**.

Donor-funded and volunteer-driven, Brightside is uniting people in clean and green activities to beautify the city and foster community pride. ALL of Brightside's programs—like beautification projects and cleanups—are funded entirely by private donations from people just like you.

You will be glad to know that **100% of the proceeds benefit Brightside**. By participating in the tournament, you and your team are helping Brightside raise much needed funds for community-wide beautification programs, neighborhood litter cleanups, and environmental education programs. **Thank you for your support!**

As in the past, **The Volleyball Connection - Tandem Sport** manages the tournament, so you can expect one of the finest in the country. **Please note that the tournament will be held once again at Louisville's Seneca Park**. In addition, please take a moment to read through the important reminders in this packet and share the information with your players.

The 21<sup>st</sup> Annual Brightside/Coca-Cola Volleyball Classic promises to be a great tournament. We look forward to seeing you there and thanks for helping Brightside keep Louisville clean, green and beautiful!

Sincerely,

Cynthia Knapek  
Executive Director, Brightside
